How you can help

Fundraising is an essential part of our work, a great way to bring people together and really make a difference.

We rely on public support and donations.

Without you, our valuable life saving work would not be possible.

Thank you

Coffee Morning

Ask your neighbours and friends round for coffee and cakes and charge a small fee. You could combine this with a raffle or book sale etc.

Dinner Party

Invite your friends round for an evening of delicious food and wine – they will be happy to eat your food and make a donation to a good cause at the same time. To make this even more fun, you could make it a themed evening or have a murder mystery party.

Donations in Kind

Can you help by donating a raffle or tombola prize? Could you offer us a free venue to hold an event? Are you willing to give up some time by talking to community groups about the work of the charity?

Give it up

Sponsor members of the family or friends to give up their worst habits for a Week. Each time they forget they have to pay a Fine.

Dress Down Day

Friday is always a good day to hold a dressing down day. Make sure everyone knows when you are going to hold it and that they should wear casual clothes to work that day or even have a fancy dress theme. Ask for a contribution from everyone.

Non-Uniform Day

Many schools have non-uniform days to raise money for charity. Ask local schools if they would hold a non-uniform day maybe with a 'doggie' theme to help raise funds for Medical Detection Dogs. Each child pays 50p - £1.00 for the privilege of not wearing uniform and all the money is donated to the charity.

Have a 'Pound for Paws' Day

Simply ask all your colleagues to bring a pound to work in aid of the charity, then collect together the money and send it to us.

Cake Sale

Ask local schools if they would be willing to hold cake sales one day after school. Ask the children to donate cakes and then sell them to raise money for Medical Detection Dogs.

Sponsored walk

Do you know a lovely location?

Do you have friends, family or a community that would enjoy the challenge of a walk to raise funds?

Then why not organise your own sponsored walk for Medical Detection Dogs.

Dog walk

For those people with their canine friends - why not organise your own, or group, dog walk where you are sponsored per mile or charge an entry fee for participants and their owners?

Why not combine it with a treasure hunt along the way?

Why not sponsor our puppies?

By sponsoring our puppies you help support their care and training which enables them to change and save lives.

We are happy to publicise your fundraising activities on our websites www.medicaldetectiondogs.org.uk
