

Fun facts

-  A dog's sense of smell is up to a million times more powerful than a humans.
-  Some humans can smell if there is a teaspoon of sugar in a cup of tea.
Dogs can smell a teaspoon of sugar in two Olympic -sized swimming pools.
-  Our special red jackets mean we can go to the shops and travel on a plane.
-  If Archie's blood sugar is low he needs to eat or drink a sugary snack.
-  If Archie's blood sugar is high he needs insulin.
-  If you want to know more about our special dogs visit our website.

Medical Alert Assistance Dogs

At eight weeks old carefully chosen puppies go to live in homes with volunteers who help to socialise them. At a year old they are taught to help people with conditions such as diabetes.

Read about Archie, a seven-year-old, and how his Medical Alert Assistance Dog Domino helps him.
